Proceeds for Lap-A-Thon will go to support childhood immunization program for local Mauritanian children. Our students have voted on what they would like to donate our lap-a-thon funds to and they have chosen to support the childhood immunization programs in our local neighborhoods. Students will not only raise money; they will be volunteering their time to help ensure the children of Nouakchott receive their immunizations in order to keep them safe from childhood disease. The funds raised will be used to support a local immunization clinic that our Grades 3-12 will visit and volunteer at. Please help support the students in their efforts to raise funds to support this worthy project. **REMINDER: LAP-A-THON MONEY DUE BY FRIDAY, FEBRUARY 1st!**
