**Pi Day not only about eating pie.** On March 14th, AISN celebrated Pi Day with Ms. Ines's and Mr. Dave's Math classes taking measurements around the school to see if they could calculate Pi on any circle. These are some photos of our 3rd, 4th, and 9th graders taking measurements around school. Of course, any good Pi Day needs to end

with a celebration of pie eating - and AISN did this in style. Thanks to the many parents that showed their children that math is used all the time in everyday life - including in making pies!

**Individual personal presentation letters in today's Wednesday folder:** Note that inside today's Wednesday folder is a personal letter for each student explaining their chosen topic for Personal Presentations as well as what time their scheduled to present the day of the event. Please take time to read the letter with your child.

**Ms. Amel and Ms. Cookie's classes went on a field trip to complete their unit on farm animals.**

PK/K-1 went to visit a farm last Thursday. Students enjoyed seeing beautiful ostriches, peacocks, ducks, chickens, rabbits, and turtles. They learned about different types of animals and their habitats. The kids also had the chance to use

their most of their senses to explore the environment.

**AISN's Boys' Soccer Team Wins!** On Thursday, March 14th, the AISN boys' soccer team won a friendly match with TLC by a score of 6 - 3. This is AISN's first win over TLC since 2015. Players included: Ahmed Saleck, Ezra, Mohamed I, Khalid, Muhamed J, Ilya, Mahfoudh, Zekeriya, and Moctar. The AISN soccer team will have one more practice match on March 21st before heading off for the WAISAL (West African International School Activities League) soccer tournament in Dakar, Senegal on April 3rd to April 7th.

**AISN says farewell to Ms. Erin.**

Ms. Erin, who has been part of the AISN community since 2017, will sadly be leaving us at the end of this week. She was the K-1 teacher last year and took over as ESL teacher this school year, while serving both years as Co-Curriculum Coordinator. We will definitely miss her presence as well as her many contributions to our school. Ms. Erin and her husband are relocating to Canada after they leave Mauritania. We wish them all the best.

**International Day April 11th.** If you are interested in participating in International Day on April 11th, please return the forms in this week's Wednesday folder by Friday, March 22nd.

**Spring Break: March 25th - 29th.** School resumes on Monday, April 1st at 8:00 AM. If your family is traveling before or after the break, please notify the school so teachers are aware of your student(s)' upcoming absences so they can plan accordingly. Doing so will help ensure that your child(ren) do not fall behind on their studies.
