GRADES 7-8 VISIT LOCAL CLINIC!

On Tuesday, May 28th, our middle school students had the opportunity to visit the “Centre de Santé de Teyarett”, the local clinic our lap-a-thon funds are supporting. Students had a chance to tour the facility and to see how it functions. They also delivered nurse uniforms and two signs for the clinic, purchased with our fundraiser money. AISN plans to continue our relationship with this clinic next school year. We will kick off the school year with a painting project: a mural for the clinic’s waiting room!

Leaving Early? If your family will be departing before Friday, June 14th, please kindly inform the school so teachers are aware and can plan accordingly. Report cards will only be distributed on that last day of school. If you are leaving early, report cards can be picked up at the office after June 14th or they can be scanned and emailed.

Time to return library books. Start searching through the closets, under beds, and inside drawers to find the last of the missing library materials. Starting this Friday, students will no longer be able to check out materials. Students with outstanding books will receive notes home in their Wednesday folders. If payment is necessary, please pay the Accountant, Mr Thierno Djigo. Thank you for your support.

Our elementary students that learned how to ride during after school bike club.

After-school activities are ending! This will be the last week of after-school activities for this school year.
