## Bosque Mágico Rocks AISN!

AISN was delighted to welcome **German jazz band Bosque Mágico** to our campus for a very special performance this past Thursday, November 7th. The band was in town to perform for the German Embassy. While here, they took time to have a special concert for AISN students, families, and friends. Our own Mr. Papis' band joined Bosque Mágico for a night of international entertainment!

**PreK steals the November assembly** with their rendition of “Who Stole the Cookie from the Cookie Jar?” In the end, it was Ms. Ines who stole the cookie! Thanks to PreK for their hard work on preparing their song.

*We are having issues with students and parents remaining on campus after the school day ends. There have been several injuries of children that were playing with limited parent/nanny supervision on the playground after school ends. In addition, students are being allowed by parents/nannies to behave after school on the playground in ways that are against school policy which causes problems when the teachers enforce rules during the school day. **If children are not involved in after school activities, they need to leave campus at 3:05. In addition, as soon as activities end at 3:50, students need to leave campus. The only students that may remain here after 3:50 are the students that are directly involved in the basketball activity. Parents and children may not remain at school after the day has ended.** The school does not provide supervision for children after 3:05 p.m. unless they are in an activity. Please see Ms. MaryAnn or send an email to [director@aisnmauritania.com](mailto:director@aisnmauritania.com) if you have any questions about the policy. Thank you for your support.*

### **Parent-Teacher Conferences today and tomorrow at AISN!**

Parent-Teacher Conferences are set for **today from 3:30 to 5:00 pm** and **tomorrow from 12:30 - 4:30 pm**, with dismissal being at 12:00 pm on Thursday. If you have not yet signed up, please contact Ms. Aicha for further details.

**WANTED: Volunteers to help with Mauritanian Day!** On Wednesday, November 27th, AISN will celebrate the unique culture of Mauritania. Students will have the opportunity to participate in a variety of activities focused on specific aspects of Mauritania - such as games, dancing, drumming, the Tea Ceremony, and more. We are searching for local Mauritians to lead a cultural activity for our students to gain more exposure and a better understanding of our host country.

Additionally, we will be having a taste of Mauritania with traditional food for lunch. The school will provide mischoui and families are invited to share a Mauritanian dish - of their choice. If you are interested in either leading an activity or sharing food or drinks (enough for 5 people), complete and return the forms in last week's folder or contact Ms. Aicha.
