

AISN'S WEEKLY NEWSLETTER

Wednesday, December 11th, 2019

Dates to Remember:

Friday, December 13th: December Assembly, Noon

Saturday, December 14th: Start of Winter Break; AISN campus closed during the break.

Monday, January 6th, 2020: Classes Resume at 8:00 AM

Monday, January 6th, 2020: New lunch order system in effect

Monday January 6th - Friday January 10th: No After School Activities

Monday January 13th: After School Activities Resume

IMPORTANT

CHANGE TO LUNCH SYSTEM STARTING JANUARY- Starting January, students may only place their lunch order once per month. Students will no longer be able to order the same day or week. The caterer must purchase food ahead of time and she is not able to properly manage lunch when there are last minute additions and subtractions. Please see the enclosed letter about the new system.

High school students volunteer service makes AISN proud! High school students volunteered with the Starkey Hearing Foundation who organized a three day mission in Nouakchott to provide hearing assistance to local Mauritians in need. Students helped with tasks such as registration, ear examinations, hearing screenings, hearing aid fitting for patients, and translation between doctors and patients. All 16 of our high school students participated at least one of the days, with most participating two of the days. Several of our students stayed on after school to continue helping. The Starkey staff repeatedly commented how amazing our students were and how they couldn't not have delivered on the mission without their help. Our high school students showed the best of AISN!

RESULTS ARE IN!
PSAT

The PSAT is an assessment that measures readiness for college and provides practice for the SAT. In October students in Grades 8-9 took the PSAT 8-9 and students in grades 10-11 took the PSAT/NMSQT through College Board. This week students received their scores and discussed what they represent during Study Skills and College Readiness. Students can also access them through their personal account with College Board. If there are any questions about the PSAT results, feel free to contact Ms. Meghan.

NO AFTER SCHOOL ACTIVITIES THE WEEK OF JANUARY 6TH-10TH. AFTER SCHOOL ACTIVITIES RESUME ON MONDAY, JANUARY 13TH.

WINTER CONCERT - THE LION KING

4th/5th Graders go camping in Terjit! All 12 of our 4th/5th graders went on a three-day trip to Terjit. They had an opportunity to visit the Oasis, climb sand dunes, see prehistoric cave paintings, sleep in tents, and enjoy campfires. Students had a fabulous time! Thank you to the parents that volunteered to drive on the trip - we couldn't have done it without them!
