HATS OFF TO GRADES 2-3! Since starting online learning in March, Ms. Sally's class of Second and Third graders have devoured over 700 books through the online reading platform, EPIC! They also have recorded over 127 hours of engagement in just 3 recent weeks on IXL, another beneficial online resource for various academic subjects. Super effort, Grades 2-3! Keep working hard for the final 2 weeks of school!

AISN TEACHER ASSISTANTS EARN DEGREES!

This year, our five teaching assistants chose to enroll in the Council of British International Schools (COBIS) Diploma Programme for International Teaching Assistants. The teaching assistants have been taking courses since October in topics such as supporting assessment for learning; providing literacy and numeracy support; and supporting children with English as an additional language. Three of our teaching assistants completed the program this month. We offer a huge congratulations to Ms. Haboussa, Ms. Sophia and Ms. Olga who now hold their diplomas in International Teaching Assistants! Ms. Hawa and Ms. Rama, both who tackled the program while caring for newborns at home, will be completing the program shortly and also earning their diploma. At AISN, we are proud of our staff that are consistently working on their own professional development to improve the learning of our AISN students. We are grateful to the support of a US State Department grant which helped the teaching assistants offset some of the cost of their diploma program.

MIDDLE SCHOOL STUDENTS EXPLORE THE WORLD OF VIRTUAL FIELD TRIPS: Recently, Grades 6-7 explored Antarctica, the Seattle Aquarium, an American Dairy Farm, and Yellowstone National Park - all from the comfort of their homes by means of virtual field trips! Students also took virtual self-guided tours exploring concepts such as Dinosaur Extinction, Early Civilizations, the Grand Canyon, and more. So, if you feel the need to escape for a bit, simply search online for a virtual field trip that interests you! Or visit one of these sites and start exploring:
