GETTING READY TO OPEN SAFELY!

Breaking down the walls! In an effort to provide more space for both our students and faculty to effectively physically distance upon return to campus, AINN has increased the size of its classrooms. Recently, Ms. Cookie's Grade 2-3 and Mr. Dave's Grade 4-5 classrooms were expanded into adjacent rooms. Doing so nearly doubled the size of both spaces to provide opportunities for safe distancing during face-to-face learning. The K-1 class, as well as the secondary classes of Humanities, English, and Math, all acquired additional space also.

"Sorry," he mumbled.
"We didn't hear that properly," said Mr. Park.
"Sorry," he said, lifting his head and looking Theo in the eye.
Mr. Park nodded. He looked at Ms. Lee.
"I'll tell you what," said Mr. Park, "I need some more help with the movie. Do you think I can **brow** your students?"
"Of course," said Ms. Lee. "That is, if they want to help."
Theo, Josh, and Izy all nodded their heads. Of course they wanted to help. Making a movie! How cool was that!

Parent Support Group Meeting Tonight at 5:00 NCT time! Want to take some time away from the daily grind for a relaxing chat about the first few weeks of school with other AISN parents as well as faculty members? Feel free to attend the Parent Support Group Meeting being held this evening at 5:00 PM NCT time in Ms. Meghan's Zoom Room (<https://zoom.us/j/5703225384> Password: 12345). Topics will include how families coped with the first few weeks of school as well as looking forward to AISN's upcoming reopening.

Mandatory Reopening Meetings! As AISN prepares for its reopening set for Monday, September 21st, we want to share with students and families important safety protocols that will help keep our community safe upon return to campus. Starting the week of September 16th, mandatory meetings concerning the reopening of campus will be held on Zoom. *All families intending to send their children back to campus for face-to-face learning are required to attend one of these meetings.* More information about signing up for a convenient meeting time for your family will be shared in the coming days.

Got a mask? As families will learn at their reopening meeting, one of the new measures AISN will be implementing is that of wearing a mask while on campus. Families will be responsible for ensuring that their child/children have masks on a daily basis. Replacement masks will be available at school in the event that someone's mask breaks or gets dirty. More information about mask wearing at AISN will be shared at our reopening meetings.

Want to stay up to date with what is happening at AISN? Attend the upcoming Board meeting set for Wednesday, September 16th at 5:00 PM GMT (NCT time) in Ms. MaryAnn's Zoom Room (<https://zoom.us/j/6862029268> with password 12345). All AISN community members are welcome.
