## VIRTUAL GUEST SPEAKER IN GRADES 6-7 HUMANITIES!

This past Friday, September 11th, Mr. Brad's Grade 6-7 Humanities class virtually welcomed a very unique guest speaker. Students in this class have been learning about the historical process as well as professions that assist historians in doing their job. Luckily, Ms. Lynn Houghton holds many of those roles: curator, librarian, archivist and writer. It was a great opportunity for the students to virtually visit an archive and have a glimpse at what somebody's role looks like in the history profession.

*Additional information about Ms. Lynn Houghton:* She is the Regional History Collections Curator for the Zhang Legacy Collections Center, part of the Western Michigan University libraries in Kalamazoo, Michigan. She leads tours about local architecture and history and is the co-author of the book Kalamazoo Lost and Found. Ms. Lynn participated in the TV series, "10 Streets that Shaped America." and holds a Bachelor's and Master's degree in History as well as a Master's in Library and Information Science.
