WELCOME BACK TO IN-PERSON LEARNING AT AISN!

AISN faculty and staff were so happy to welcome students back on campus this past Monday, February 8th. We continue to follow our same routines and protocols - temperature checks upon arrival, mandatory mask wearing, physically distancing, washing hands regularly and staying at home when we are sick. When we follow these guidelines all together, AISN will continue to succeed - both in and out of the classroom - as seen in these back to in-person learning memories.

PARENT SUPPORT GROUP MEETING - TONIGHT! All AISN parents are invited to attend the monthly Parent Support Group Meeting via Zoom in Ms. Meghan's room this evening at 5:00 PM. Topics will include helping children cope with Covid-19 and understanding MAP test results. If you have a specific concern you would like to discuss with the group, feel free to contact Ms. Meghan at meghan@aisnmauritania.com.

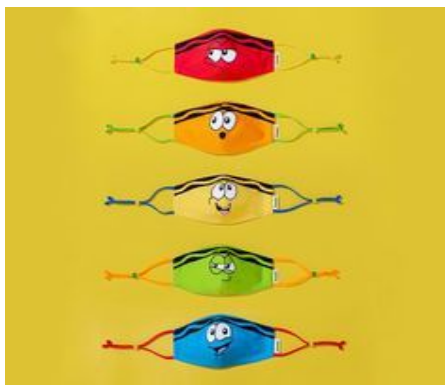

REPORT CARDS AND MAP RESULTS: Along with today's newsletter, you will find paper copies of 1st semester report cards along with MAP results. These are the same documents that were sent via e-mail in December.

LIBRARY BOOK REMINDER: Remember to bring back your library books that were checked out for Winter Break. Doing so will allow you to check out new books and to keep reading!

SCHOOL BOARD MEETING: Board meetings are held the third Wednesday of each month. All AISN parents are invited to attend as a way to stay up to date on happenings at school as well as to voice your concerns and opinions. The next meeting is scheduled for Wednesday, February 17th at 5:00 PM in Ms. MaryAnn's Zoom Room. The agenda for the meeting is attached to this week's email.

WE GOT SPIRIT; YES WE DO! We got spirit - how about you? Each Friday at AISN is School T-Shirt/Spirit Day! Students and staff members are invited to wear any AISN t-shirt that they have! Remember to wear yours on Fridays!

COVID-19 FACE MASK TIPS:

- Have a mask for each day of the week.
- Label the day on each mask for convenient use.
- Wash cloth masks after each use.
- According to the CDC, when not in use, face masks should be carefully folded so that the outer surface is held inward and against itself to reduce contact with the outer surface during storage.
- Store folded masks between uses in a clean sealable paper bag or breathable container. Label the day on the storage bag/box.
- **If you need new masks, see Ms. Aicha.**
