FRIDAY FUN AT AINSN!

This past Friday, February 12th, fun was in the air from Kindergarten up through Grade 12 at AINSN! First, elementary school students celebrated Valentine's Day with arts and crafts, special notes, and sweet treats.

Additionally, in the secondary school, students had a chance to unwind and play various games including ping pong, ladder golf, cornhole, and more during their DEAP (Drop Everything And Play) activity.

SCHOOL BOARD MEETING TONIGHT AT 5:00 PM IN MS. MARYANN'S ZOOM ROOM! All AISN parents are invited to attend as a way to stay up to date on the happenings at school. The agenda for the meeting is attached to this week's email. The zoom link to the meeting is in this week's email.

University/College Acceptances Update! College acceptances are beginning to come in for our three seniors. Congratulations to our seniors who have been accepted to the following universities:

In Canada.: University of Toronto

In the United Kingdom: University of Birmingham

Beverage Reminder: As stated in our Parent-Student Handbook, carbonated beverages (Coca-Cola, Mountain Dew, Sprite, Fanta, etc) are not permitted at school. In an effort to promote healthy habits with students, possible drink choices for school include: water, milk, tea, or juice. Staying hydrated with healthy drinks can help students focus better and increase their productivity during the school day.

How To Care for Your Cloth Mask:

- Make cleaning your cloth mask a daily task.
- According to the CDC, one way to clean a cloth mask is to include it with your regular laundry and use regular laundry detergent.
- Another method is to wash your cloth mask by hand by soaking it for 5 minutes in a bleach solution.
- Inspect your mask for rips, tears, or holes. Replace the mask when it is worn out.
