AINN WELCOMES FAMILIES ON CAMPUS!

This past Saturday, March 27th, AINN faculty and staff excitedly welcomed families to campus for the first time this school year. It was a wonderful opportunity for parents to meet teachers face-to-face as well as to see their children's classrooms and tour our campus. Additional highlights included students showing their parents around the playground, library, science lab, and our newly acquired land from the U.S. embassy. It was great to see our families back on campus!

DEAP: TYE-DYE CREATIVESS: Secondary students were introduced to tye-dyeing this past week with Mr. Alex, AISN’s secondary science teacher. Students picked a design, chose colors for it, and then created it on their own t-shirts. The results were *AWESOME* - so bright, cheerful, and inspiring!

INTERNATIONAL DAY - A CULTURAL CELEBRATION! On Thursday, April 8th, we will celebrate all the unique cultures that make our school a true international community. The event will take place during school hours and will include various cultural activities. Students are invited to wear traditional clothing or flag colors from their country(ies) as well as share a traditional dish or snack at lunch. See the flyer included in this week’s folder and email for more information. Due to COVID protocol, this event will involve only students and staff. **Dismissal is at 12:45 PM on this day.**

Upcoming Progress Reports and Parent-Teacher Conferences: Mid-semester progress reports will be issued prior to Parent-Teacher Conferences which will be held on **Monday, April 12th - a no school day for students.** Conferences will take place on campus. These meetings are a valuable opportunity for teachers to meet with parents to discuss student progress and address any areas of concern. **Information on how to sign up for conferences is included in today’s email.**
